A Bond Bash Benefiting: Prevent Child Abuse Georgia

NACE Gives Back 2010

The Crime: Abuse of Georgia's Children

We are shocked and heartbroken to share with you the criminal facts of our case:

- 4 children will die from child abuse and 18 will be permanently disabled every day in the U.S.
- In Georgia alone over 85,000 children are reported victims each year of child abuse.
- **In Georgia, roughly 100 children will die this year from abuse!**
- In 84% of these cases the abuser is a biological parent and 90% of the abuse occurs in the home.

The Mission: Prevent Child Abuse in Georgia

Preventing child abuse means strengthening the ability of parents and communities to care for their children's health and well-being. Child abuse prevention is the work of everyone, every day.

The Operatives: PCA & NACE

Prevent Child Abuse Georgia (PCA) is the only statewide, nonprofit organization with the sole mission of preventing child abuse and neglect - before it starts. They accomplish their mission through community-based programs of family education and support, public awareness, advocacy, and training.

The *National Association of Catering Executives (NACE)* the oldest and largest catering association in North America, is part of an industry that benefits from the hosting of special events, many of them fundraisers. In an effort to support the fundraising community that has supported us, we are hosting NACE Gives Back!
